Yamato Scientific Group Annual Sales: **1,227.5 billion yen**  
 Yamato Scientific Group Employees: **1,513**  
 as of October 2025

## Medical Care • Welfare

Annual Sales: **645.0 billion yen**  
 Fiscal year ended March 2025  
 Employees: **454**  
 as of October 2025

### Orthopedics and Implants

- Materials for Artificial Joints
- Materials for Spinal Fixation
- Materials for Fracture Treatment
- Sports Disease Materials
- Orthopedic Surgery Support Robot

### Medical Supplies and Consumables

- Midoriya Sugiura Surgical Steel Small Items
- Surgical, Treatment, and Procedural Equipment Materials
- Sanitary Stuffs and Supplies
- Nursing and Caregiving Supplies

### Cardiology

- Ablation Catheter
- Supplies for Endovascular Therapy
- Supplies for Endotherapy
- Cardiac Pacemaker

### Diagnostic Imaging Equipment

- Magnetic Resonance Imaging (MRI)
- Computed Tomography (CT)
- X-Ray Device
- Ultrasonography Device

### Medical Practice and Assistance

- Clinic Setup Planning
- Regulatory Filing Support
- Assistance for Various Procurement Works

### Medical Solution Support

- Equipment for Regenerative Medicine
- Medical Equipment for Infection Control
- Supply Processing Distribution (SPD)
- Medical Treatment Facility Integrated Information Management System (MEDIFIMS)
- Surgical Management System (Orthorise)

Trading Function

## Science • Technology

Annual Sales: **436.6 billion yen**  
 Fiscal year ended September 2025  
 Employees: **776**  
 as of October 2025

### Laboratory Instrument

- Thermostats, Drying Ovens, High-Temperature Furnaces
- Water Purifier
- Constant Temperature Liquid Bath • Constant Temperature Water Circulation System
- Synthetic Concentration and Granulation Drying Equipment
- Plasma device

### Laboratory Facilities

- Laboratory Table
- Fume Hood
- Environmental Control • Testing Facilities
- Powder Weighing Enclosure

### Analytical • Measuring Instrument

- Surface and Internal Observation Devices
- Laboratory Analysis Instruments
- Environmental Testing Equipment
- Electronic Measuring Instruments

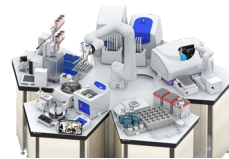

### Industrial Equipment

- Large-Capacity, Multifunctional, Multi-Heating Equipment
- Automated, In-line-Compatible Equipment
- Equipment with Explosion Vents and Automatic Fire Suppression Functions
- Large Thermostat Water Tanks, Large Washing Tanks, Specialized Thermostatic Tanks
- Vacuum Drying Equipment, Pressurized Degassing Equipment

### Automation Robots for Experiment and Analysis Tasks

- HPLC Sample Preparation Device
- ICP Sample Preparation Device
- Automated System for Viable Count Testing
- Automated System for Nanoparticle Analysis

### Life Science-Related Products

- Cell Culture Devices
- Imaging Analysis Instruments
- Three-Dimensional Cell Fabrication Devices
- Genetic Analysis Instruments
- Biopharmaceutical Manufacturing Solutions

Trading Function

## Living • Food • Electronics

Annual Sales: **145.9 billion yen**  
 Fiscal year ended March 2025  
 Employees: **117**  
 as of October 2025

### Glass Container

- Glass Bottle for Sake
- Glass Bottle for Food and Seasoning
- Glass Bottle Washing for Recycle

### Packaging Film (Pouch) Bag

- Packaging Film for Food and Seasoning
- Packaging Film for Toiletry and Cosmetics
- Original Spout Pouch
- Bag in Box

### Electronics Related Product

- IC Sockets • Testing Jig
- In-Process • Shipping Trays
- Wafer (Si • Sic)
- Mini/Micro LED

### Plastic Container

- Plastic Bottle for Food • Seasoning Plastic Container
- Household-related Plastic Containers
- Original Small PET Bottles

### Water Related Product

- Water Dispenser
- Gallon Bottle
- Maintenance Service for Water Dispenser
- Packaging System • Overall Production Line Design

### Electronics Related Equipment

- Reduced-Pressure Plasma Device
- Atmospheric Pressure Plasma Device
- Temperature Environment Testing Equipment
- Semiconductor Surface Observation and Measurement Equipment

Trading Function

## Supplier

4,487 companies throughout the world

- Equipment for Orthopedics • Surgery
- X-Ray Device • Diagnostic Imaging System
- Equipment for Surgical Treatment • Internal Therapy
- In Vitro Medical Test Equipment
- Biofunctional Support and Substitute Devices
- Measuring • Monitoring System for Bio-phenomena
- Ophthalmic Supplies
- Equipment for Hospital Facility
- Steel Product for Medical Use
- Nursing and Welfare Equipment
- Product for Regenerative Medicine
- Medical Drug • Reagent

## Supplier

815 companies throughout the world

- Synthesis • Preprocessing Device
- Stirrer • Shaker
- Peristaltic Pump
- pH • Conductivity Meter
- Analytical Balance
- Spectrophotometer • Fluorometer
- Scanning Electron Microscope
- Thermal Analyzer
- Separation Analyzer
- Centrifuge
- Mass Spectrometer
- Electronic Measuring Equipment
- Titration
- Environmental Chamber
- Vibration Testing Device
- Charge-Discharge Testing Chamber
- High Purity Reagent
- Diagnostic Medicine

Manufacturing Function

### Planning

- Design and Planning for Laboratory Facilities
- Engineering proposal of facility and equipment

LABORATORY DESIGN SYSTEMS CORP.

### Development • Design

- Product Planning
- Functional Experiment
- Product Design (3D)
- Prototyping
- Performance Evaluation Test

### Production

- Integrated Manufacturing Process (ISO Quality, Environmental, and Medical Certification Acquired)
- Materials machining, Bending, Welding, Painting, Assembly, Inspection, Packaging

### Technical Support

- Installation
- Maintenance
- ISO17025 Test
- Installation / Operational Qualification (IQ/OQ)
- Global Support

### Relocation Service

- Survey • Proposal
- Relocation Works
- Process Management
- Performance Check
- Security Countermeasures

## Supplier

2,084 companies throughout the world

- Bottle for Food
- Bottle for Cosmetics
- Bottle Cap
- Label (Paper • Plastic Film)
- Spray • Pump
- Carton • Paper Container
- Water Dispenser
- Bottle for Water Dispenser
- Packaging-related Facility and Machinery
- Raw Material
- Semiconductor-related Stuff
- Image Sensor-related Stuff
- Automotive-related Components
- LED Components

## Customers

26,948 companies throughout the world

Automotive (automobiles and automobile parts)	Energy (Petro • Electricity • Gas)
Electrical and Mechanical Equipment	Semiconductor • Electronic Parts
